2. Definitions and interpretation

2.1 For the purposes of this bylaw the following definitions apply:

GOODS means any product or service.

SERVICE DELIVERY VEHICLE means any Vehicle being used for the purpose of delivering Goods to the Premises of any business or organisation and does not involve the sale of the Goods to the general public in any Public Place.

3. Licence required

No Person in any Public Place must engage in the sale of Goods of any description whatsoever (except as provided in 10), without having first obtained a Licence from Council.

4. Licence application

Every Person who wishes to sell Goods in a Public Place must make written application to obtain a Licence to the Authorised Officer of Council. The information to be supplied by the applicant may include, but not be restricted to, any of the following:

- (a) Name and address of the applicant and the Person(s) selling the Goods;

- (b) The location/site and time sought for selling;
- (c) The telephone number and email address of the applicant;
- (d) The type of Goods for sale;
- (e) The type of Vehicles(s) and registration numbers if applicable;
- (f) Evidence of good character.

5. Licence details

The Authorised Officer may impose conditions in granting any Licence. The conditions imposed may include, but are not restricted to, the following:

- (a) Time, location and duration of the Licence;
- (b) Types of Goods for sale;

Provided that before refusing any Licence on the ground that the applicant is not, in the opinion of the Council, a Person of good character and reputation or is not a fit and proper Person to hold such a Licence, the Council will give to the applicant an opportunity to be heard before a Committee of the Council.

The Council may suspend or cancel the Licence wholly or for such period as it thinks fit if satisfied:

- (a) That the licensee is not of good character and reputation or otherwise not a fit and proper Person to hold such a Licence; or
- (b) That the Vehicle or Vehicles used in connection with such Licence has or have become unsuitable for such use, or have been or are being used for purposes other than those stated in the Licence:

Provided that before the Council suspends or cancels any Licence the Chief Executive will give notice in writing to the licensee giving them the opportunity to appear before the Council or a committee thereof at a time and place fixed in such notice to show cause why such Licence should not be cancelled or suspended. The time fixed in such notice will not be less than 3 days after service of the notice on the licensee.

The Council will immediately give notice to the licensee of such suspension, cancellation or decision.
